

Mouse River Players Community Theater is hosting the Missoula Children's Theater Production of Gulliver's Travels from June 10 - 15th. This show is for veteran actors as well as for kids who want to try it for the first time.

With his ship wrecked and his trusty computer JCN on the frizz, brave explorer Gulliver finds himself lost in space with nothing but an Invisible Force to guide him. Tune in as this sci-fi spin of the timeless tale will take you 'out of this world'.
